**The membership of Division 657 has requested that Engineers, Conductors and Trainmen in Revelstoke who book off for miles, retain the rest on their turn as is the practice now with members who book unfit, sick or OLA.**

**As this has absolutely no effect on manpower availability we trust you will concur and with such concurrence we will contact the NMC to update our local procedures.**

Yours truly,

Les Daley  
Local Chairman  
Locomotive Engineers

John Kiengersky  
Local Chairman  
CTY Committee A

Wally Thacker  
Local Chairman  
CTY Committee B

I concur,

Tim Schumacher  
Superintendent  
Mountain
